

# IACCP 2022 Abstract Submission Guidelines

## Poster Presentation: PDF file Poster and (optional) 3-minute Flash Talk Video-recording + 60 minute live Poster Session

Poster Presentations allow presenters to showcase their contribution in a single-page .pdf Poster and (optional) brief video, and for presenters and attendees to engage in extended personal discussions regarding their poster during a 60-minute interactive Poster Session on Gathertown [or similar platform].

Abstracts accepted as Posters for IACCP 2022 will be grouped together by thematic stream. The Authors of the accepted abstracts will prepare a single-page PDF file with their poster which must be uploaded to the online Whova platform directly by June 30, 2022. This Poster file will be available online by July 1 (about 1.5 weeks before the Congress) for all registered participants. During the Congress, each author will take part in the live online interactive Poster Session for 60 minutes. Further details on the presentation format of the optional 3-minute video will be provided in due course.

### Poster Submission Structure:

**First author/ Presenter:** Name, email address, highest educational degree obtained, affiliated institution, institution country and city, complete mailing address, and telephone number. NOTE: In instances of multiple authorship, the first author is expected to be the presenter in the (optional) video and live Poster Session.

**Co-authors:** Names, email address, highest educational degree obtained, country, affiliated institution, and institution country and city.

**Preferred Mode of Presentation:** Please select “Poster presentation.”

**Thematic Streams:** Please choose one of the thematic streams.

**Title of presentation:** Please choose a brief title (maximum of 100 characters, including spaces) that clearly indicates the content of the contribution. Please avoid abbreviations in the title.

**Abstract:** Please ensure that your abstract contains no more than 300 words. Please avoid diagrams, illustrations, tables, references or graphics in the abstract. Provide maximum relevant information in the abstract. If the subject matter is empirical, the following structure is obligatory: The objective, methods, results, and conclusions.

**Keywords:** Please indicate up to 3 keywords for your abstract.
